

DATASOURCE ANNOUNCES EXPANSION

Leading Print Supply Chain Management Company Will Expand Automotive Client Base in San Antonio

(KANSAS CITY, Mo) DataSource, Inc., one of America's leading print supply chain management companies announced today a strategic business plan to expand its national presence within the automotive industry with a new regional office in San Antonio.

The Kansas City-based company's newest office will focus its business offerings on the automotive industry and will provide clients with complete supply chain management of printed goods; design and creative services as well as integrating web-based fulfillment and distribution.

"We look forward to expanding the Texas market and bringing new solutions to the San Antonio automotive marketplace," said David Holland, president of DataSource, Inc.

DataSource also provides document design and distribution services to national restaurant chains, commercial banking and well-known brands such as Ferrellgas, Lee Jeans, Americo and Blue Cross/Blue Shield.
