

DataSource, Inc. Receives Double Honors

Leading Print Supply Chain Management Company Named America's Third Fastest Growing Supplier and Ranks Seventh Among The Top 100 in US

(KANSAS CITY, Mo) August 18, 2010, DataSource, Inc., one of America's leading print supply chain management companies has been named by Print Solutions magazine as the third fastest growing supplier with more than 10 million in sales and has also earned national honors for ranking seventh among the Top 100 suppliers. Print Solutions magazine is an award-winning industry publication that has been in circulation for nearly 50 years and is read by more than thirty thousand printing industry professionals.

"We are pleased to be recognized for the total commitment we make to our diverse list of clients. It's the additional steps in the long-term process that we apply to each account in order to meet and often times exceed our client's business objectives," said David Holland, president of DataSource.

The Kansas City-based company attributes the national honors to their customized network that drives an overall cost reduction for its clients by outsourcing 100% of its traditional printing. Holland adds that their solid working relationships with suppliers allows them to competitively bid each project, match the right vendor based on client needs and provide a high quality, cost-effective product. The international print management supplier is also committed to assisting clients meet their 'green' program standards and corporate initiatives.
